** W-9 Form Needed? We need the social security or Tax Id Number (TIN) for reporting purposes. If the club is paying \$600.00 or more in a calendar year for services provided to the club by the recipient, then an IRS Form W-9 is required. If the payee is a corporation, then no form is needed. If in doubt ask the payee to complete the form regardless. A copy of the W-9 can be found on our web page under "Form & Apps".
