## Hydraform Brick Machine Handover to Mobile Mission Maintenance

21 April 2011

The Board of Directors paid a visit to Mobile Mission Maintenance for the official handover of a beautiful hydraform brick making machine. Not only can this

unit produce 3,000 bricks in less than a day, but it can also make various tile designs for walls and floors.

## Quote of the Month: No strangers at a convention

Rotary International News, 21 April 2011

"I commend to you the opportunity for a rare fellowship with men and women from many lands. There are no strangers in a Rotary Convention. Introductions are unnecessary. To participate in friendship, show yourself friendly. Your personal enthusiasm imparted to others will make of this the greatest convention for you that Rotary has ever held."

— Arthur H. Sapp, 1927-28 RI president, address to the 1928 convention in Minneapolis, Minnesota, USA
