Major Online Giving Initiative A Boost for Polio Eradication

Rotary International News -- 7 November 2011

Rotarians generously made online contributions of more than US\$2.57 million to PolioPlus during the week of 24-28 October, in observance of World Polio Day on 24 October. The Rotary Foundation offered double Paul Harris Fellow recognition points for online contributions of \$100 or more.

Rotarians were required to be registered on the [Member Access Portal](#) before making a contribution. Changes to the Foundation's online contribution system enabled donors for the first time to contribute in 12 different currencies. Contributions were received from Rotarians in 105 countries; the top five giving countries were the United States, Brazil, Canada, Mexico, and the Philippines.

Rotarians who registered on Member Access between 14 September and 14 October were eligible to win 1,000 extra Foundation recognition points through a special drawing. The winner was a Rotarian in Nepal who has chosen to remain anonymous.

As of 31 October, Rotarians have raised \$194 million for [Rotary's US\\$200 Million Challenge](#) in support of polio eradication.

Download the latest RI Strategic Plan update

The latest RI Strategic Plan update (PPT) is available for download. It provides a basic look at how Rotary International leaders see the future of Rotary, and an explanation of the value of strategic planning.

Clubs and districts are encouraged to use the presentation to share the importance of the strategic planning process to Rotarians in their area.

The RI Strategic Plan provides a framework for Rotary and Rotarians to adapt to changing business and social trends, raise Rotary's public profile, increase membership, energize clubs, and focus on what the organization does best.

The update includes information about the latest RI initiatives to define a unified image and brand for Rotary, map out a communications strategy that integrates various Rotary media, and establish a social networking committee. It also features a summary of results gleaned from surveys of Rotarians.

The RI Strategic Plan, revised in July 2010, identifies three strategic priorities and 16 goals, unifying the strategic direction of RI and The Rotary Foundation. Learn more about the plan.
