## Books Are In!

The long awaited books from Texas, USA have arrived in Luanshya! Thanks and appreciation to PP George for transporting the 21 boxes.

PDG Patrick has been going through the allotment and has arranged them into groupings. Unfortunately, there was a whole box of teacher's manuals, about 200, without the accompanying text book. Amazing!

### Rotary Minute videos now on iTunes

[Rotary Minute](#), a series of brief Rotarian video interviews (in English) on a variety of topics, is now available as a free download on [iTunes](#).

Visit the iTunes store online and type in "Rotary Minute" in the search box to download episodes of Rotary Minute. Each video features Rotarians from around the world, answering questions such as:

- What have you learned from being a Rotarian?
- Is your club family friendly? and
- What will Rotary be in the future?

Once you've downloaded the videos, you can show them at your next club meeting, embed them on your club or district website, share them with your contacts on social media sites such as Facebook and Twitter, or simply store them on your smartphone or tablet to show to the next person who asks you "What is Rotary?"

## January is Rotary Awareness Month

Spread the word about Rotary in January! At your next club assembly, make sure members are informed of the latest projects and initiatives so they can raise awareness about Rotary in the community. Also consider these tips:

- Share the [RI Strategic Plan](#) at a new member orientation.
- Update members on polio eradication at your next weekly meeting by getting the latest facts at [www.polioeradication.org](http://www.polioeradication.org).
- Include [news from RI](#) on your club and district websites so members are aware of how Rotarians around the world are serving their communities.
- Publicize Rotary club events in the community. Consider conducting a [public relations](#) training session.
