Set club membership goals using 2011-12 award benchmarks

What is your club's approach to recruiting and keeping members? This is a great question to ask during August, Membership and Extension Month. Only a month into the Rotary year, it's an ideal occasion to dedicate some of your club meeting time to discussing membership goals for the year. Consider using the membership criteria for the 2011-12 Presidential Citation and Changemaker Award as your benchmarks for the year.

Coat Tales

I was waiting in my chiropractor's office with several other people. One other patient was a woman who had her young son with her. He was well-behaved, but like many kids his age had a continuous stream of questions. After the white-coated doctor came out of his treatment room to see the next patient, the little boy looked up at his mother and asked, "Mom, was that the choir director?"

Propose legislation for the Council

Every three years Rotary International's Council on Legislation meets to debate and vote on legislation submitted by clubs, districts, and the RI Board. The council has the authority to amend RI's constitutional documents, as well as adopt resolutions. Every district sends a representative to the meeting, and every club and district may propose legislation.

If your club or district is considering proposing legislation for the 2013 Council, remember that club proposals must be endorsed at a district conference and that RI must receive proposed legislation no later than **31 December 2011**.

For more information, see [Council on Legislation](#).

Dear Rotarians:

We are happy to announce the release of *Rotary's Areas of Focus Guide*, a color booklet that provides an introduction to Rotary's six areas of focus, with examples of service projects for each area:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development

Download it as a [PDF](#) or [order](#) it at shop.rotary.org.

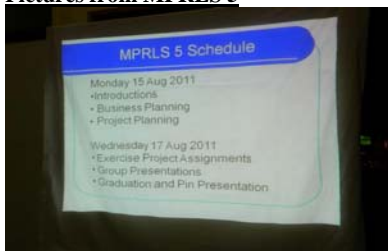

The areas of focus reflect critical humanitarian issues and needs that Rotarians are addressing worldwide. They align Rotary with other international development efforts and strategically further Rotary's mission. Filled with project ideas, tips for success, and global grant requirements, *Rotary's Areas of Focus Guide* can help Rotarians address these needs locally and internationally. We hope you will share this new booklet with Rotarians in your district to help aid in their service efforts.

A color folder is also available to hold *Rotary's Area of Focus Guide* and other project-related materials. Order both the guide and folder and save!

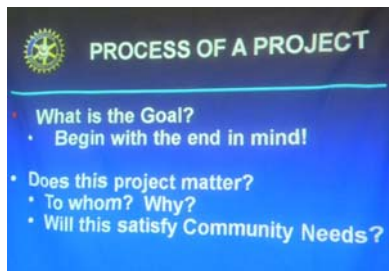

Best regards,

Jessica Bueltmann
Coordinator, Rotary Service
