Foundation Thought: Helping maintain our ability to do good in the world

"The Foundation belongs to us all. It is our greatest resource for doing good, and it is our responsibility to maintain its strength. I hope every Rotarian will join us by making a contribution to support the Foundation's progress this year." *2004-05 RI President Glenn E. Estess Sr.* [Download weekly Foundation Thoughts.](#)

Celebrating Rotary's New Generations

This month is New Generations Month, when Rotary celebrates its commitment to youth and young adults through Interact, Rotaract, RYLA, and Rotary Youth Exchange. Rotary clubs are encouraged to focus on youth issues and undertake projects that benefit young people around the world. As you plan your activities for the month, consider ways to cross-promote New Generations programs and enhance collaboration between youth, young adults, and Rotarians.

[Key to literacy](#)

More than 770 million adults worldwide do not know how to read. In an increasingly complex world, illiteracy condemns many of them to the lowest rungs of society. International Literacy Day is 8 September. Learn how we are supporting basic education and literacy, an area of focus under the Future Vision Plan.
